Wednesdays & Saturdays
10:30-11:30

Dear Residents and Families,

I hope this message finds you well. We have several exciting updates and important reminders to share as we continue enhancing our community and daily experience for everyone.

You may have noticed the newly completed **Rubbage rooms**, with two conveniently located on each floor. Please watch for signage and utilize these rooms for everyday trash disposal only. For safety reasons, items such as combustible materials, large furniture, or bulk items should not be placed in these areas. If you have questions on proper disposal, our team is happy to assist.

We also want to inform everyone that **resident pendants** will be managed by a third-party care provider in the coming days. This service will include a monthly fee. For any questions, assistance, or service needs, please contact **Homestead**, who will be happy to support you.

Looking ahead, we are excited to share that **parking lot paving is scheduled for April**. We will be sending out detailed notices soon with specific dates and instructions to help ensure a smooth process for all.

Lastly, we're pleased to introduce a new **coffee, pop, and juice station in the dining room**—a small addition aimed at enhancing your daily comfort and enjoyment.

Thank you for your continued support and for being such an important part of our community.

Laura Christensen- Campus Executive Director

Beginning in April our 50/50 Raffle will Benefit:

Helping Firefighters Fighting Cancer

In 2019, **Joe Warne**, a firefighter from Macomb Township, MI and President of Neighbors United, had his passion ignited to help those in his own profession. After repeatedly hearing about brothers and sisters battling cancer, he learned that **occupational cancer had become the leading cause of firefighter deaths**, according to the International Association of Firefighters. That June, **#walkfortheRED** was born. This is a 140-mile walk across the state of Michigan that takes place with the start landing on the Thursday morning following Labor Day. Following the first walk, Warne decided to make it an **annual fundraiser**—just as his own Captain was diagnosed with cancer. During that same time, Warne recalls delivering checks to firefighters in crisis. He met a 35-year veteran firefighter who “had no heat or stove” and another who “could not afford gas to get to his chemo treatments.” Firefighters rarely share these struggles, as their lives are built around serving others. But Warne knew he could not overlook them. Each year, Warne is joined on the walk by members of the Neighbors United team, fellow firefighters, and community volunteers. He vividly remembers a woman—raising her grandchildren in a modest home—who stepped outside and gave the team \$20. Moments like these keep the mission alive, proving that when people come together, we can make a real difference for those who wear the uniform, despite the risks they face.

Upcoming Events & Outings:

Wouldn't you love to have your friends or family members as your neighbors?

You can! Oakmont Sterling is offering a special Referral Program for all residents who recommend our community to their friends! Residents sending a new referral to us, that is not in our database of leads, will receive a \$2,000 rent credit. This credit will be paid after the new referral signs their lease and lives at the community for minimum of 60 days. The credit will be deducted over 3 months.
